We appreciate everyone who has ever attended, for what ever reason we lacked shooters this year "BIG TIME", It is our intention to continue to hold this match but with numbers this low our sponsorship will likely be affected and ultimately we may have to stop. We hope this was just a one time thing and next year we can get back to normal and hopefully better. Please try to attend your local shoots and register early or by the early bird dealine, this helps all shoots get more organized and get more prizes. We will work toward giving away a gun every time we have 30 or more shooters. We would like to give away more but for this event we need more participation. Thanks, Brent
